## *Procedures - main steps*

**PROCEDURES**

### ***Step 1 - Initial discussion towards understanding your needs.***

Contact Smart Business Consulting Solutions [LLP](#) for more information. A **free initial consultation** is available so that we can assess how we can assist your business. Usually you may call us between 09:00 - 17:00 from Monday to Friday, or you may contact us by e-mail, too.

### ***Step 2 -Price Quotation***

Issuing a price quotation according to the appropriate difficulty level package and customized to your specific business.

### ***Step 3 - Order a Business Plan or Business's review***

Reviewing your documentation, preparing a detailed evaluation and receiving the order for a Business Plan according to the difficulty level package.

### ***Step 4 - Signing Agreements***

You will need to sign a Consulting Agreement as well as a Business Plan Confidentiality Agreement with our company.

### ***Step 5 - Payment***

The payment may be made either by BACS or paying by card using a [mobile secured card reader terminal](#) that accepts all major cards. A 50% initial deposit is payable before starting the plan's preparation and the remaining 50% is payable on submission of the deliverables.

### ***Step 6 - Information Collection***

The purpose of both the Consulting Business Plan Questionnaire and the Consulting Financial Forecast Questionnaire is to provide a general framework for gathering the necessary data. They are generic questionnaires which might not be suitable in absolutely all the situations. All information you provide will remain confidential.

### ***Step 7 - Timescale***

In order to adhere to the proposed schedule, we assume that you will be available for telephone discussions or face to face meetings as necessary, and that you will respond to our e-mail messages, review drafts and provide us with requested data in a timely manner, too. Also we assume that the agreement will be signed and payments will be received in a timely manner.

### ***Step 8 - Preparation and execution of this Business Plan***

The business plan should represent an integral part of the management reflecting a business's goals and objectives taking the form of a written summary demonstrating an in-depth planning of how the business will manage its resources to meet its goals, how its progress will be measured forecasting in a realistic manner the market demand, customer base, competition, and economic conditions. The business plan should provide detailed explanations of actions that are proposed to accomplish the business's goals and the description should provide enough detail to demonstrate that the business has a reasonable chance for success, will operate in a safe and sound manner having the adequate capital to support the risk profile, too. Also the business plan should demonstrate a realistic assessment of risks taking into consideration the economic and competitive conditions on the market.

### ***Step 9 - Finalize all deliverables***

The Business Plan and any other additional documentation will be delivered in electronic format. We will provide you also with the necessary instructions regarding the recommended publication formats upon completion of the Business Plan.
